

**Nashua Local Emergency Planning Committee
Donations Management Workshop
March 27th, 2026 10 am- 12 pm
Rivier University Dion Reception Center
420 S Main St, Nashua, NH 03060**

Agenda:

- 10 AM -10:15 AM: Networking & Breakfast
 - Light breakfast in the Dion Reception Center
- 10:15 AM: Welcome ~ *Emily Martuscello, Director of Emergency Management*
 - LEPC Overview - Nashua does regional meetings with different topics to bring together private and public sectors
 - Today's topic is Donations Management to introduce and provide feedback on Nashua's Donations Management Plan, as well as understand our partners capabilities and gaps
 - Go over agenda and bathroom locations
- 10:20 AM -10:30 AM: Donations Management Plan Overview and Basics
 - Plan activation threshold - activation is incident-based, not hazard-based, and may occur for fires, severe weather, infrastructure failures, or other emergencies at the discretion of OEM
 - Partners can reach out to OEM to activate the Plan based on trends or situations they are seeing
 - Alerting procedure -visual provided on email and text alert received from Genasys
- 10:30 AM -12:00 PM: Disaster Scenario: Donations Plan Activation
 - Discussed the partners in the room's capabilities regarding types of donations accepted and services they can provide
 - Ran through the scenario and case management worksheet to cover the needs of those displaced in the scenario
 - Partners completed the Donations Management Capability Form in real time
 - Takeaways regarding other agencies/partners to reach out to and specific messaging that is needed for certain items
