

Environment & Energy Committee Meeting Minutes

March 19th, 2026 6:00pm

IN PERSON City Hall Room 208

1. Call to Order & Welcome

Chair Arden Cala called the meeting to order at 6:07 PM.

2. Roll Call

Present: Arden Cala, Adrian George, Matt LeBlanc, Will Darby, Levent Akinci, Doria Brown, Alderwoman Shoshana Kelly

3. Approval of Minutes – February 2026

The February 2026 meeting minutes were shelved until the April meeting.

4. Conversation with DPW on Road Salt

- Will Darby provided an overview of proposed legislation to incentivize the use of brine over traditional road salt and shared information about the Green SnowPro Program.
- Matt LeBlanc presented an overview of the Department of Public Works' current use of salt and brine in storm management operations.
- It was noted that temperatures of 15°F and below present challenges for the effective use of brine in Nashua.

5. Livable Nashua Plan – Follow-ups & Action Items

- Discussion on the Sandy Pond Service Project included defining scope, establishing a target date, identifying required permits and supplies, and coordinating volunteers.

6. Other Business

- There was no other business.

7. Adjournment

Doria Brown moved to adjourn the meeting, seconded by Will Darby. The meeting was adjourned at 7:11 PM.
