NASHUA **ARTS** COMMISSION

From Liz Hannum:

Here's the list of Keefe needs. Feel free to share this with the Arts Commission members and have them forward anything they want to add to the list to me.

Here is the list we came up with at the Keefe Auditorium Commission meeting for 2 different levels of design:

Basic

1. Bathrooms
2. Lobby – ticketing/concessions
3. HVAC – energy efficient priority
4. ADA – access to auditorium/building access to seat seats
5. Backstage –
 - a. Loading dock for sets.
 - b. Dressing rooms – two groups
 - c. Bathrooms
 - d. 25 feet behind stage for sets.
 - e. Tech and control booth.
6. Maintain existing parking number
7. Additional storage.
8. Light and sound systems – counter acoustic, mid-level problem.
9. Utilities/safety minimums.

Upgrade

1. Basic level plus the following:
2. Star dressing rooms.
3. Wing space for sets – remove left side.
4. Seating.
5. Additional parking.
6. Truss supports.
7. Rehearsal stage.
8. Utility upgrade – power.
9. Reception area – caterers kitchen.
10. Orchestra pit flexibility/expand.
